Message from CDAA Chair ...

Embrace New Perspectives and Possibilities

by Tracey Campbell

Board of Directors, Career Development Association of Alberta

Spring is known for its flowers and showers, but it is also recognized as a season of renewal and rebirth. Spring will soon be upon us. Our thoughts now turn to airing out our homes; purging our belongings, reorganizing the home and office; new ideas ...

Exploring New Perspectives and Possibilities

by Paula Wischoff Yerama, CCDP

Executive Director, Career Development Association of Alberta

During the lead up to the 5th annual Alberta Career Development Conference (ACDC) it felt appropriate to dedicate the Spring 2018 edition of *Career Momentum* to perspectives and possibilities in career development. Several of the ACDC concurrent ...

3 Early Lessons from the National Conversation on the Future of Work

by Lisa Taylor

Sometimes it takes all of us working together to realize the impact each of us, individually, can have. The work of career practitioners is unusual. We work in areas that have dramatic impact to our clients' well-being that, in turn, shapes our country's ...

Jumping on Another S-Curve

by Derrick E. Rancourt

It's funny how a confluence of events can get you to think in a different way. I am a Professor at the University of Calgary who is trying to help graduate students transition away from academia. In November, I ran a workshop called ...

Working Outside the Box

by Gail Kastning, B.Ed.

I was a portfolio careerist before it was fashionable. For me, streaming income from different jobs or entrepreneurial ventures started as a survival tactic. I wasn't trying to be trendy as I worked several jobs to put myself through university. I was ...

A Career Journey: To Burnout and Back

by Kathleen Johnston, B.Sc., MA

This article is a reflection on my personal experience with burnout for the purpose of encouraging others to know their truth. I'm aware of having been driven by a sense of inadequacy throughout the whole of my adult life. This *knowing* ...

No Job, No Worries – Create Your Own Opportunities

by Miroslav Reljic

For many people the process of looking for a job is a binary game, you either find one or you don't. This perspective may leave your clients feeling worried and defeated as the job search can drag on and on. ...

There's change coming to the way career developers work

by Janet Lane

Some people used to go into the office every day to keep the company's accounts up to date – now they can access their files anywhere, anytime. Others risked arms and backs doing dangerous work that is now done by manipulating a ...

My Career and Journey to Becoming a Chief Design Officer (CDO), TV & Radio Host, Published Author, and Journalist

by Kevin Horek

I was born and raised in Edmonton, Alberta, Canada. I was lucky that my father worked with computers and would bring home a Mac on the weekends. I used to play on that thing for hours until we got a PC in the early 90s. When I was 12 years old we ...
